Dear Planning and Environment Committee:

Councillor B. Polhill (Chair), Councillors J.P. Bryant, D.G. Henderson, J.B. Swan and S. White and H. Lysynski (Secretary).

On behalf of the SoHo Community Association, I want to advise that we are in full support of this zoning change and change to the Official Plan of London for properties 142 Horton St. E. 291,297,303,305 Richmond St.

It will be a welcome addition to this part of our neighbourhood. We look forward to seeing the fruits of York Development's labour.

Sincerely,

Tanya Park
