**Purpose**

The purpose of this report is to amend an agreement with Trojan Technologies (Trojan) of London to use the City's Westminster Wastewater Treatment Plant (WWTP) for testing until 2038. This will allow Trojan to make investments in the facility to support testing beyond the original 2021 timeframe.

At the March 5, 2019 meeting of Council it was resolved:

*That the Agreement Extension with Trojan Technologies for the use of the decommissioned Westminster Wastewater Plant BE REFERRED back to the Civic Administration, in order to provide for additional discussion with respect to this matter. (2019-E03) (AS AMENDED) (2.5/4/CWC)*
