- Barbara Rosser, Planning Consultant retained by the applicant and the agent for this application – expressing support for the very fulsome staff report that would allow the business of Tricor Contracting to remain in its current location at 585 Third Street; highlighting a few matters from the report and that is that there has been no evidence of complaint or incompatibility with regards to the operation of Tricor Contracting which has been on the site since 2000; advising that the report indicates adequate parking at 35 spaces approximately available to the business; stating that the zoning that is before the Committee would specifically recognize the use or similar use within the existing building at the existing setbacks on this property only; expressing satisfaction with the report; hoping the Committee sees fit to accept the recommendation.
