

Hello, I would like to submit a name suggestion for the new center being build at east lions park.

EAST LIONS FAMILY CENTER.

and incase you're wanting reasons why, I am sure we should keep the name of the park alive! I believe its important for the east end community! And each neighborhood has "family centers" and the one at the Lord Nelson P.S doesn't seem to get enough attention, and if we could incorporate east end with families maybe, just maybe we can start turning the idea of east end around!

Thanks

Rebecca Cochrane
