Hey! Hope you are doing well. I've sent an email with name suggestions for the community center but haven't heard back. Not knowing if anyone saw my email or not, I thought I would message you mine and my daughters suggestions.

- 1. Wavell Rec Centre
- 2. East Community Hub (this one is named by an 11 year old $\stackrel{\smile}{=}$)

As much as I like the Lions name, we need a change and it shouldn't be "argyle" or "east end" as we all know what kind of label the east end has. Let's make this a positive change!
