

# INNOVATION VILLAGE

Presentation to City Council  
Strategic Priorities Committee

Monday, September 30, 2019

## Fanshawe's future

The best way to  
predict the future is  
to invent it

## Emerging reality

## Why Innovation Village?

- Support job creation by driving collaborations with private/public sectors
- Signature Innovative Learning Experience for every student to become the employees of the future
- \$58M innovation hub, 66,000 square feet over 4 years

INNOVATION  
VILLAGE

## City Council investment will deliver:

- Modern student and employer focused facility – centralized front door to the College
- 500 new partnerships with external employers and organizations in the first 3 years
- Provides skilled and passionate local and international graduates for the London workforce

INNOVATION  
VILLAGE

## Funding Partners

- Federal Government
- Provincial Government
- City of London
- Private Sector Donations
- Fanshawe Student Union
- Fanshawe College

INNOVATION  
VILLAGE

## London's future

The best way to  
predict the future is  
to invent it
