Dear Sirs:

**RE: FILE NO. Z-7945 | APPLICANT - BFI CANADA INC. | 441 INDUSTRIAL ROAD  
APPLICATION TO REZONE FROM G11 TO G11-SPECIAL PROVISION  
PROPOSED WASTE TRANSFER FACILITY**

We attended before the Built and Natural Environment Committee during its hearing of the above-noted application on November 14, 2011 and made both oral and written submissions in opposition to same. We understand that this application has been referred back to staff for additional information and for broader consultation.

We request that we be provided with any and all additional information and reports that are prepared with respect to this matter. We also request that we be advised of the date of all future meetings of the Built and Natural Environment Committee and Council concerning this application.

Please contact the writer if you have any questions respecting this request or our client's concern with the application.

Yours very truly,  
**RITCHIE KETCHESON
