FROM:	CATHY SAUNDERS CITY CLERK
SUBJECT:	AMENDMENTS TO CONSOLIDATED FEES AND CHARGES BY-LAW

RECOMMENDATION

That, on the recommendation of the City Clerk, with the concurrence of the Managing Director, Corporate Services and City Treasurer, Chief Financial Officer, the attached proposed by-law (Appendix "A") BE INTRODUCED at the Municipal Council meeting on November 12, 2019 for the purpose of repealing By-law No. A-53, as amended, being "A by-law to provide for Various Fees and Charges" and replacing it with a new Fees and Charges By-law that adds and adjusts certain fees and charges for services or activities provided by the City of London".

PREVIOUS REPORTS PERTINENT TO THIS MATTER

None.

BACKGROUND

Section 391(1) of the *Municipal Act, 2001*, S.O. 2001, c.25, authorizes a municipality to impose fees or charges on persons,

- (a) for services or activities provided or done by or on behalf of it;
- (b) for costs payable by it for services or activities provided or done by or on behalf of any other municipality or any local board; and
- (c) for the use of its property including property under its control.

On October 25, 2016, Municipal Council enacted Fees and Charges By-law A-51 which represented the Municipalities first multi-year Fees and Charges By-law. As the Municipal Council was also in the process of adopting a multi-year budget, a multi-year Fees and Charges By-law was deemed to be appropriate. This would allow not only the Municipality, but also the public, to be aware of any potential changes to fees and charges related to the provision of service.

The Civic Administration will be tabling the 2020-2023 Multi-Year Budget at the Strategic Priorities and Policy Committee meeting to be held on December 9, 2019. As a result, the Civic Administration is bringing forward for Municipal Council's consideration, the attached proposed multi-year Fees and Charges By-law (Appendix "A") which will coincide with the term of the proposed Multi-Year Budget.

Summary of 2020-2023 Proposed Changes to Fees and Charges

Prior to preparing the proposed Fees and Charges By-law, the Civic Administration reached out to users of services to advise them of the proposed changes.

Schedules 1, 2, 3 and 4 to the attached proposed by-law outline the Service Areas' proposed 2020, 2021, 2022 and 2023 (respectively) fees and charges. Any proposed new fees, as well as increases or decreases in fees, are shown in bold on Schedules 1, 2, 3 and 4 to the proposed by-law.

The key proposed fees and charges changes are summarized below. Any fee that is eliminated is indicated with a strike-out.

Parks, Recreation & Neighbourhood Services

User Fees for recreational services and facilities are re-assessed periodically, with a number of factors being considered in order to ensure that programs, services, facilities and opportunities remain accessible, affordable and inclusive of all residents. This consideration includes operating costs, market analysis of other similar programs, capital developments and target markets. Parks and Recreation Services is recommending a variety of increases and decreases in the areas outlined below.

Swim lessons range in the number of classes from 6 to 10 depending on the season. To ease understanding and consistency for customers, classes are being proposed to be identified by the cost per class. Pass rates for individual, 10 swim, and 3 month passes have not been increased in a number of years and reflect inflationary costs.

Recreational Drop-In Fees

Family recreation drop-in fees are proposed to be increased to reflect the change of definition from 2 adults and 2 children in 2019; in 2020 this definition will change to 1-2 adults and up to 4 children. This aligns with Aquatics' Family Admission definition. The 10 visit pass has been added to replace the 20 visit pass. Adult recreation drop-in fees will increase to offset inflationary costs.

North London Centre Rollerskating Admission

North London Optimist Community Centre rollerskating admissions and rentals are proposed to be increased to offset higher operational costs and costs incurred through the new third party rollerskating provider.

Seniors Centres and Programs

Fee ranges for seniors centres bus trips and special events are proposed to be increased to better reflect actual costs, and in an effort to offset food, operational, and transportation costs. A range of fees for Seniors Centre Member Programs is proposed to be added as they have previously not been included in past User Fee Detail Reports. This proposed range of fees does not reflect an increase from 2019 charges.

A new Seniors Satellite Multi-Site Membership Bundle option is proposed to be introduced to provide for an affordable option for members who wish to join 3+ Satellites.

Storybook Gardens and Community Gardens

A fee increase is proposed for birthday packages to better reflect the costs of providing exclusive after-hours access to the park, additional group admission passes and celebration food. A new admission fee for twilight visits on Friday Evenings are being proposed. An increase in the group admission fee is being proposed as the fee has not been changed since 2013.

Proposed increases in fees for Storybook Gardens are based on current fee for similar attractions in London.

A proposed increase in fees for Special Events is being proposed to cover specialized equipment/ rental cost increases.

An increased fee for Community Gardens is proposed as the city pays for the water usage at each community garden. The increase is related to the City's estimate of increased water cost.

Protective Services

Animal Services

In 2019, fees were introduced at the City-operated Companion Animal Hospital for the Low Income Subsidized Spay/Neuter, Trap Neuter Return, and Approved Fostering Organization Programs. The programs were transitioned from private services to City services, and there was a need to recover the cost of inventory used. Veterinary fees are not proposed to be charged to keep fees low. The program applicants will be advised of the fee at the time of application, just as they are advised of payment expectations within the program now. For 2020-2023 the practice is proposed to remain the same; however, at the recommendation of the Veterinarian, a list of medications and services for common ailments is proposed to be added at low cost for cost recovery purposes, to provide affordable animal care to those eligible to access the animal services programs.

By-law Enforcement and Property Standards

In 2010, new inspection fees were introduced for by-law re-inspections where written Orders, or Notice of Violation were issued and no action was taken to achieve compliance (Municipal Law Inspection fee). In addition, fees for Marijuana Grow Operation inspections were introduced at the initial inspection stage and compliance stage (Property Standards Inspection fee). These two new fees in addition to the long-standing property standards re-inspection fee are all billed to property owners. If fees are not paid, the amount is added to the property tax roll. The 2020 – 2023 proposed increase is reflective of operational cost increases over the course of last several years where no increases had been applied.

Fire Services

The proposed increases for Highway/Local Vehicle Incidents reflect the Ministry of Transportation fee for fire response service on provincial highways, and are intended to change as the Ministry changes their allowable fees. The fees are only charged for attendance at motor vehicle collisions involving non-residents of the City and for fire responses on provincial highways.

The re-inspection fee for 2020 non-compliance is proposed to be increased to reflect costs and time spent on these inspections. The fee has not been increased since 2014.

Based on a review of other similar municipalities, the proposed increased fee for Re-inspection for Non-compliance reflects increased labour costs and time spent on inspections. This fee has not been increased since 2014. In the three subsequent years, a 1.5% inflationary increase is recommended.

Parking Services

Increase in Private MLEO training & appointment – The proposed increase in the rate is being recommended to help cover the staff costs associated with training service providers to issue parking tickets on private lots. This rate has not been increased since 2015.

Admin Fee Bulk Lot Passes – This proposed new fee is being recommended to assist with covering administrative and staff costs associated with the preparation of a bulk parking for City of London Parking Lots. Bulk parking refers to a large volume of parking passes purchased in a single order for a municipal lot which applies to a large number of vehicles parking in a lot.

Increase in rate for Municipally Owned/Operated Parking Lots – This proposed increase is being recommended to ensure that City of London rates are competitive with other off street parking providers. The proposed increased fees will help cover the costs of infrastructure maintenance in off street parking lots including parking meters, paving, snow clearing, line painting and more. These rates have not been increased since 2012.

Increase in on-street parking rates – This proposed increase has been recommended as a method of establishing a parking reserve fund. This specific parking reserve fund would be exclusively dedicated to the development of future downtown parking spaces/structure as per the 2017 BA Consulting Downtown Parking Strategy.

Municipal Parking Lot 10 – This fee is being proposed as a new municipally managed parking lot approved by Municipal Council earlier in 2019 is being established.

Municipal Parking Lot 13 – This fee is being proposed as a new municipally managed parking lot has been established.

The proposed fee increases for curb cuts are being recommended to bring the fees in line with the current costs of Labour and Materials. The fees have not been increased since 2012 and these proposed increases will now recoup the actual costs of such work.

Licensing and Certificates

The increased fee for Non-Residential Boulevard Applications is being proposed to better reflect the staff cost to coordinate and process applications.

A fee increase for Statutory Declarations is being recommended to better reflect staff cost to prepare and administer a variety of declarations and oaths.

The proposed increase for Marriage Licences and Civil Ceremonies is being proposed to better reflects the expense and cost of delivering services. Currently, the City is required to pay the Province \$48.00 per licence. It is noted that \$25.00 of each civil ceremony fee is placed into a reserve for improvements to service being delivered, including renovations to the room.

The proposed increased in Hearing Fee better reflects the expense and cost of delivering services. Factors for consideration are committee room rental, staff time and the cost of registered mail.
