Start Time: 6:30pm

Present: K. Waud, J. Hunten, T. Regnier, J. Cushing, M. Walley, T. Regnier; K. Gonyou, M. Greguol (at 6:55pm after Item 1) (staff)

Agenda Items:

1. Cultural Heritage Evaluation Reports (CHER) for Rapid Transit

a. 327 Wellington Road CHER

The Stewardship Sub-Committee reviewed the Cultural Heritage Evaluation Report for the property at 327 Wellington Road prepared by AECOM. The Stewardship Sub-Committee supports the conclusions of the evaluation (based on the criteria of Ontario Regulation 9/06) that the property does not demonstrate sufficient cultural heritage value or interest to warrant further cultural heritage assessment related to the Rapid Transit project.

b. 331 Wellington Road CHER

The Stewardship Sub-Committee reviewed the Cultural Heritage Evaluation Report for the property at 331 Wellington Road prepared by AECOM. The Stewardship Sub-Committee supports the conclusions of the evaluation (based on the criteria of Ontario Regulation 9/06) that the property does not demonstrate sufficient cultural heritage value or interest to warrant further cultural heritage assessment related to the Rapid Transit project.

c. 333 Wellington Road CHER

The Stewardship Sub-Committee reviewed the Cultural Heritage Evaluation Report for the property at 333 Wellington Road prepared by AECOM. The Stewardship Sub-Committee supports the conclusions of the evaluation (based on the criteria of Ontario Regulation 9/06) that the property does not demonstrate sufficient cultural heritage value or interest to warrant further cultural heritage assessment related to the Rapid Transit project.

The Stewardship Sub-Committee noted that the double hipped gables were an interesting feature of the property.

2. Introduction: Michael Greguol, Heritage Planner

3. Request to Add Properties to the Register of Cultural Heritage Resources

- a. Tackabury Houses and The Grove (M. Whalley)
 - i. 1511 Clarke Road (Riverview Farm) – heritage listed property
 - ii. 1424 Clarke Road – heritage listed property
 - iii. 1928 Huron Street – no heritage status

The Stewardship Sub-Committee had a general discussion on properties related to the Tackabury family, an early pioneer family in the former London Township. The House in the Grove (2056 Huron Street), 1458 Huron Street (Flower House), 2070 Huron Street (2080 Huron Street), and 1425 Huron Street (The Grove Cemetery) are contextually associated with this grouping. Further discussion will be held at the next Stewardship Sub-Committee meeting.

4. Western University Public History Program – Property Research Presentations

The Western University Public History Program property research presentations will be on Tuesday November 26, 2019 at 6:30pm in Committee Room 4, City Hall (300 Dufferin Avenue).

The Stewardship Sub-Committee will start their meeting at 6:00pm, in advance of the Public History Program presentations.

5. 138 Gardenvale Crescent

The Stewardship Sub-Committee had a general discussion on the original “solar home” built in the late 1970s by Sifton Properties. It could be considered an early example of green technologies in home building.

6. Compile a list of Potential Cultural Heritage Landscapes in London

The Stewardship Sub-Committee continued their discussion on potential cultural heritage landscapes in London.
