Managing Director, Planning and City Planner

I hereby certify that the Municipal Council, at its meeting held on November 12, 2019 resolved:

That, the following actions be taken with respect to environmental considerations relating to studies and reports:

- a) the Civic Administration BE REQUESTED to review and report back at a future Planning and Environment Committee meeting on best practices and legal limitations for performing Subject Land Status reports and Environmental Impact Studies on lands that are under private ownership and that are owned by multiple parties and, in particular, where one or more of the property owners refuse staff entry onto their lands;
- b) the Environmental and Ecological Planning Advisory Committee BE REQUESTED to perform an environmental scan of practices in other municipalities related to the above-noted evaluations; and,
- c) the Civic Administration BE REQUESTED to review the plan for Meadowlark habitat on a comprehensive ecological systems basis, so that Secondary Plans and Planning Applications can address habitat requirements in accordance with this larger context. (5.1/19/PEC)
