Your worship,

On behalf London Celebrates Canada Board of Directors, I am pleased to report success of municipal-level Canada Day festivities held this year in Harris Park. Our success is measured by the fabulous turnout of more than 38,000 Londoners, significant favourable media, and having met our financial obligations.

* We appreciate the City's Core Funding sponsorship and the overwhelming support of Councillors and City staff. Of particular note, Special Events Manager Ms. Krista Kearns and the entire Community Services team were exceptional.

Our annual report shall be presented at our Annual General Meeting in October to which you will be invited.

We remain at your service,

Randy P. Warden
Chairperson, London Celebrates Canada
Event Organizer, Canada Day 2011
