Subject: Re: AWAC Next Meeting

Hi Betty

I'm finding that with the time change in the meetings I have a conflict.

So this will mean I will have a difficult time making the meetings.

I feel as though I will be less reliable and it would be best for me to resign.

I can come to the next meeting to discuss the resignation procedure if that works (I am unsure how the process goes).

My apologies, and I hope that everyone understands.

Best
Joanne McFadden
