Requested Zoning By-law Amendment

To change the zoning from a Residential R2 Special Provision/Office Conversion (R2-2(7)/OC6) Zone to a Residential R2 Special Provision/Office Conversion Special Provision (R2-2(7)/OC6(_)) Zone to add a Personal Service Establishment as an additional permitted use. Changes to the currently permitted land uses and development regulations are summarized below. The complete Zoning By-law is available at london.ca/planapps.

Current Zoning

Zone: Residential R2 Special Provision/Office Conversion (R2-2(7)/OC6) Zone

Permitted Uses: The Residential R2 Special Provision (R2-2(7)) Zone permitted uses include single detached dwellings; semi-detached dwellings; duplex dwellings; and converted dwellings. The Office Conversion (OC6) Zone permits clinics in existing buildings; dwelling units; emergency care establishments in existing buildings; medical/dental offices in existing buildings; offices in existing buildings; and outpatient clinics in existing buildings.

Special Provision(s): The Residential R2 Special Provision (R2-2(7)) Zone regulates the floor area ratio/maximum floor area gross residential based on lot sizes; a rear yard depth of thirty percent (30%) of the actual lot depth or as indicated on Table 6.3, whichever is greater; yards where parking area is permitted, in this case, parking in rear yards is restricted to the required rear depth where access is obtained from a lane and where there is no garage or carport located in the rear or side yard; parking standard of one space per 100 square metres of Floor Area, Gross Residential, or as indicated in Section 4.19.10, whichever is greater; and converted dwellings up to a maximum of four (4) dwelling units.

Residential Density: No change requested. Currently no residential units.

Requested Zoning

Zone: Residential R2 Special Provision/Office Conversion Special Provision (R2-2(7)/OC6(_)) Zone

Permitted Uses: The Residential R2 Special Provision (R2-2(7)) Zone permitted uses are as outlined above under Permitted Uses. The Office Conversion Special Provision (R2-2(7)/OC6(_)) Zone would permit the uses as outlined above under Permitted Uses.

Special Provision(s): The Residential R2 Special Provision (R2-2(7)) Zone will remain unchanged. The Office Conversion Special Provision (OC6(_)) Zone will add a Personal Service Establishment, within the existing building, as an additional permitted use and recognize existing site conditions.

Residential Density: No change requested.

Planning Policies

Any change to the Zoning By-law must conform to the policies of the Official Plan, London's long-range planning document. These lands are currently designated as Low Density Residential in the Official Plan, which permits single detached, semi-detached and duplex dwellings as the main uses.

The subject lands are in the Rapid Transit Corridor Place Type in *The London Plan*, permitting a range of residential, retail, service, office, cultural, recreational and institutional uses.
