## Requested Amendment to The London Plan

The City has initiated an official plan amendment which is of housekeeping nature to the London Plan. This amendment is to correct errors and omissions in the Plan and make updates to reflect council approved amendments to the 1989 Official Plan since the London Plan's approval. The intention is to improve clarity and consistency on the overall policies and mapping throughout the London Plan.

The errors and omissions have been identified throughout the London Plan. They include typographical and grammatical errors and inconsistencies in spacing and punctuation. Minor changes to certain policies, figures, and maps are necessary to refine wording and formatting.
