FROM:	ANNA LISA BARBON MANAGING DIRECTOR, CORPORATE SERVICES & CITY TREASURER, CHIEF FINANCIAL OFFICER
SUBJECT:	BUDWEISER GARDENS: CITY APPROVAL OF EQUIPMENT REFINANCING LEASE AGREEMENT

RECOMMENDATION

That on the recommendation of the Managing Director, Corporate Services and City Treasurer, Chief Financial Officer, the capital lease to refinance the purchase of HVAC equipment at Budweiser Gardens **BE APPROVED**.

PREVIOUS REPORTS PERTINENT TO THIS MATTER

"Budweiser Gardens: City Approval of Digital Wall Capital Lease Agreement", Corporate Services Committee, November 5, 2019

BACKGROUND

Budweiser Gardens Overview:

Budweiser Gardens operates as a public private partnership and is designated as a municipal capital facility under the Municipal Act. It is a multi-purpose entertainment and sports facility that strives to perform a significant role in meeting the needs of the community in its overall programming. The Budweiser Gardens completed its seventeenth year of operations in 2019.

Budweiser Gardens is managed by Spectra Venue Management (formerly known as Global Spectrum) on behalf of the partnership, London Civic Centre (LP). Spectra is responsible for the sale of naming rights, advertising, attractions, sale of suites and club seats, and the operation of the facility.

Participatory Occupancy Lease (POL)

The Participatory Occupancy Lease (POL) outlines the terms under which Budweiser Gardens is to be operated, maintained and governed. In addition, the POL details the financial arrangements for the allocation of proceeds and for capital improvements and repairs. The City's share of the net proceeds (known as "available cash flow") for Budweiser Gardens varies over the life of the lease. In years one to five, the City's share was 20%; in years six to ten, 45%; and years eleven to fifty, 70%. In addition to the City's direct financial return, there are other benefits realized for the local economy and overall community vibrancy with the construction of Budweiser Gardens, especially in the Downtown.

One of the key requirements of the agreement is contributions from gross operating revenue to the Capital Repair Fund (CRF). The CRF is an asset of the Trust that is used as a funding vehicle for repairs or renovations to the facility to maintain the asset over the term of the agreement. Each year, the tenant submits a maintenance plan for

approval, which provides the City with assurances that Budweiser Gardens will be in good repair when the lease expires on June 20, 2051. The CRF specifically excludes the funding of all capital leases.

In 2016, the POL was amended to allow for the payment of interest and principal on new capital leases as operating expenses as defined in the calculation of available cash flow. In particular the amendment to the POL was approved to fund leases associated with the new basketball floor, score clock and LED signage ring. The change to the agreement allowed that in addition to the interest, the principal on these new capital leases would be included in operating expenses as defined in the calculation of available cash flow. As a result of the change to how the available cash flow is calculated, future City rent or partnership amounts would be expected to be reduced accordingly (i.e. the "profit share or net proceeds" would go down). Further, the 2016 amendment to the POL added wording that required Spectra to provide all of the information and documentation regarding a proposed capital lease, and for them to obtain the City's approval, in writing, prior to entering into it.

In 2019, Council approved the inclusion of the capital lease for a digital wall of TVs for advertising purposes as well as replacing both Zamboni ice resurfacing machines with new ones.

Refinancing of Existing Equipment Service Agreement

In 2003, Spectra entered into a Planned Service Agreement with Johnson Controls for the purchase of new HVAC equipment and servicing for the next 25 years. Included in this agreement was the financing of the equipment as part of the total service agreement. Payments were made on a quarterly basis and included as an annual operating expense. In December 2019, Johnson Controls identified that they would no longer be able to provide the financing of the equipment to Spectra and as a result the balance outstanding of \$520,153.59 would now become due and payable.

Spectra is seeking the City's approval to refinance the purchase of the HVAC equipment through their financial institution of Royal Bank of Canada (RBC), which will be provided in the form of a lease facility which will now be identified as a capital lease and recorded in their financial statements as such. The lease is for a lower interest rate than the rate previously available through the service agreement and will be amortized over 7 years which coincides with the original term of the agreement. The terms of the proposed capital lease and amortization schedule are attached as Appendix 'A'.

As outlined in Section 2 (b) of the POL, the following information must be provided to the City:

- i) full and complete disclosure in writing of all of the terms of the proposed capital lease, including, without limitation, the principal, interest, and all other costs under the capital lease;
- ii) an amortization schedule showing all payments of principal and interest under the proposed capital lease; and,
- iii) a copy of the entire capital lease, including, without limitation, all Schedules thereto and any agreements or other documents referred to therein.

After all of the required information and documentation have been submitted, Spectra must obtain the City's approval, in writing, prior to entering into a proposed capital lease.

Although this proposed capital lease is refinancing existing HVAC equipment that was purchased with a long term service contract, the creation of a new capital lease with RBC requires that the City's approval be provided following the terms of the amended POL. The total amount of the equipment refinancing lease is beyond the limit delegated to the City Treasurer and therefore, must be approved by Council.

CONCLUSION

Spectra Venue Management is seeking the City's approval for the capital lease to refinance the purchase and service of HVAC equipment at Budweiser Gardens. It is recommended by Civic Administration that Council approve the lease, as they have satisfied all of the requirements identified in Section 2 (b) of the POL.

BUSINESS LOAN INSURANCE PLAN

The Borrower hereby acknowledges that the Bank has offered it group creditor insurance coverage on the Borrowings under the Business Loan Insurance Plan and the Borrower hereby acknowledges that it is the Borrower's responsibility to apply for any new or increased insurance amount for the Borrowings that may be eligible.

If the Borrower decides to apply for insurance on the Borrowings, the application will be made via the Bank's Business Loan Insurance Plan application (form 3460 ENG or 53460 FRE). If the Borrower has existing uninsured Borrowings and decides not to apply for Business Loan Insurance Plan coverage on any new Borrowings, it hereby acknowledges that the Bank may accept the Borrower's signature below as the Borrower's waiver of the Bank's offer to apply for Business Loan Insurance Plan coverage on all such Borrowings, and that all such Borrowings are not insured under the Policy as at the date of acceptance of this Agreement.

If the Borrower has Business Loan Insurance Plan coverage on previously approved Borrowings, such coverage will be applied automatically to all new Borrowings eligible for Business Loan Insurance Plan coverage that share the same loan account number, up to the approved amount of Business Loan Insurance Plan coverage. This Agreement cannot be used to waive coverage on new Borrowings eligible for Business Loan Insurance Plan coverage if Business Loan Insurance Plan coverage is in effect on the Borrower's existing Borrowings. If the Borrower does not want Business Loan Insurance Plan coverage to apply to any new Borrowings, a different loan account number will need to be set up and all uninsured loans attached to it.

If the Borrower has existing Borrowings to which Business Loan Insurance Plan coverage applies, and any new Borrowings would exceed the approved amount of Business Loan Insurance Plan coverage already in place, the Borrower must apply for additional Business Loan Insurance Plan coverage (if eligible) in order for Business Loan Insurance Plan coverage to apply to any new Borrowings. If the Borrower decides not to apply for additional Business Loan Insurance Plan coverage in respect of any new Borrowings (if eligible), the Borrower hereby acknowledges that the Bank may accept the Borrower's signature below as the Borrower's waiver of the Bank's offer to apply for additional Business Loan Insurance Plan coverage on such new Borrowings and that such new Borrowings are not insured under the Policy as at the date the Borrower executes this Agreement.

If there are any discrepancies between the insurance information in this Agreement and the Business Loan Insurance Plan documents regarding the Borrowings, the Business Loan Insurance Plan documents govern.

Business Loan Insurance Plan premiums (plus applicable taxes), will be taken as a separate payment, directly from the bank account associated with the loan, at the same frequency and schedule as your regular loan payments, where applicable. As premiums are based on the outstanding loan balance and the insured person's age at the time the premiums are due, the cost of Business Loan Insurance Plan coverage may increase during the term of the loan. The premium calculation is set out in the Business Loan Insurance Plan terms and conditions provided to the Borrower at the time the application for Business Loan Insurance Plan coverage was completed. Refer to the terms and conditions (form 3460 ENG or 53460 FRE) for further explanation and disclosure.

ROYAL BANK OF CANADA CREDIT AGREEMENT – STANDARD TERMS

FORM 472 (07/2019)

The following set of standard terms is deemed to be included in and forms an integral part of the Royal Bank of Canada Loan Agreement which refers to standard terms with this document version date, receipt of which has been duly acknowledged by the Borrower. Terms defined elsewhere in this Agreement and not otherwise defined below have the meaning given to such terms as so defined. The Borrower agrees and if the Borrower is comprised of more than one Person, such Persons jointly and severally agree, or in Quebec solidarily agree, with the Bank as follows:

GENERAL

This Agreement amends and restates, without novation, any existing credit or loan agreement between the Borrower and the Bank and any amendments thereto, (other than existing agreements for Other Facilities). Any credit facility existing under any such credit or loan agreement which is secured by security under section 427 of the Bank Act (Canada) (or any successor to such provision) is deemed to be continued and renewed, without novation, under the Credit Facilities. Any amount owing by the Borrower to the Bank under any such credit or loan agreement is deemed to be a Borrowing under this Agreement. This Agreement is in addition to, and not in replacement of, agreements for Other Facilities. Any and all Security that has been delivered to the Bank and which is included as Security in this Agreement shall remain in full force and effect, is expressly reserved by the Bank and shall apply in respect of all obligations of the Borrower under the Credit Facilities. The Bank expressly reserves all Security granted to the Bank by the Borrower to secure the Borrower's existing debt towards the Bank, should the execution of this Agreement effect a novation of said debt. Unless otherwise provided, all dollar amounts are in Canadian currency.

CONDITIONS PRECEDENT

In no event will the Credit Facilities or any part thereof be available unless the Bank has received:

- a) a duly executed copy of this Agreement;
- b) the Security provided for herein, in form and substance, and executed and registered to the satisfaction of the Bank;
- c) such financial and other information or documents relating to the Borrower or any Guarantor if applicable as the Bank may reasonably require; and
- d) such other authorizations, approvals, opinions and documentation as the Bank may reasonably require.

AVAILABILITY

Revolving facilities: The Borrower may borrow, convert, repay and reborrow up to the amount of each revolving facility (subject to Margin where applicable) provided each facility is made available at the sole discretion of the Bank and the Bank may cancel or restrict the availability of any unutilized portion at any time and from time to time without notice.

Non-revolving facilities: The Borrower may borrow up to the amount of each non-revolving facility provided these facilities are made available at the sole discretion of the Bank and the Bank may cancel or restrict availability of any unutilized portion of these facilities at any time and from time to time without notice.

LOAN REVOLVEMENT

If the Credit Facilities include a revolving demand facility by way of RBP and/or RBUSBR based loans, the Borrower shall establish a current account in Canadian currency, and, where RBUSBR based loans are made available, in US currency (each a "General Account") for the conduct of the Borrower's day-to-day banking business. The Borrower authorizes the Bank daily or otherwise as and when determined by the Bank to ascertain the balance of any General Account and:

- a) if such position is a debit balance the Bank may, subject to the revolving increment amount and minimum retained balance specified in this Agreement, make available a Borrowing by way of RBP Loans, or RBUSBR Loans as applicable, under this facility;
- b) where the facility is indicated to be Bank revolved, if such position is a credit balance, the Bank may, subject to the revolving increment amount and minimum retained balance specified in this Agreement, apply the amount of such credit balance or any part as a repayment of any Borrowings outstanding by way of RBP Loans, or RBUSBR Loans as applicable, under this facility;
- c) where this facility is indicated to be Borrower revolved, if such position is a credit balance, the Bank will apply repayments on such facility only if so advised and directed by the Borrower;
- d) Overdrafts and Bank revolved facilities by way of RBP Loans, or RBUSBR Loans, are not available on the same General Account.

REPAYMENT

- a) Amounts outstanding under the Credit Facilities, together with interest, shall become due in the manner and at the rates and times specified in or pursuant to this Agreement and shall be paid in the currency of the Borrowing. Amounts due on a day other than a Business Day shall be deemed to be due on the Business Day next following such day.
- b) Unless the Bank otherwise agrees, any payment hereunder must be made in money which is legal tender at the time of payment.
- c) In the case of a demand facility of any kind, the Borrower shall repay all principal sums outstanding under such facility upon demand including, without limitation, an amount equal to the face amount of all LCs and LGs, if applicable, which are unmatured or unexpired, which amount shall be held by the Bank as security for the Borrower's obligations to the Bank in respect of such Borrowings.
- d) Where any Borrowings are repayable by scheduled blended payments of principal and interest, such payments shall be applied, firstly, to interest due, and the balance, if any, shall be applied to principal outstanding with any balance of such Borrowings being due and payable as and when specified in this Agreement. If any such payment is insufficient to pay all interest then due, the unpaid balance of such interest will be added to such Borrowing, will bear interest at the same rate, and will be payable on demand or on the date specified herein, as the case may be.
- e) Borrowings repayable by way of scheduled payments of principal plus interest shall be so repaid with any balance of such Borrowings being due and payable as and when specified in this Agreement.
- f) For any Borrowings that are repayable by scheduled payments, if the scheduled payment date is changed then the maturity date of the applicable Borrowings shall automatically be amended accordingly.
- Without limiting the right of the Bank to terminate or demand payment of or to cancel or restrict availability of any unused portion of any revolving demand tender loan facility, Borrowings by way of tender loans shall be repaid (i) if the tender is not accepted, by returning the relevant draft, or certified cheque, if applicable, to the Bank for cancellation or (ii) if the tender is accepted, by returning the relevant draft, or certified cheque, if applicable, once letters of guarantee or performance bonds are arranged. In the event such draft, or certified cheque, if applicable, is presented for payment, the amount of the draft, or certified cheque, if applicable, will be converted to an RBP based loan with an interest rate of RBP plus 5% per annum.
- h) Should the Bank demand immediate repayment in full of any amounts outstanding under any term facility due to an Event of Default, the Borrower shall immediately repay all principal sums outstanding under such facility and all other obligations in connection with any such term facility.
- i) Except for Borrowings secured by a mortgage, any amount that is not paid when due hereunder shall bear interest until paid at the rate of RBP plus 5% per annum or the highest premium indicated for any of the Borrower's facilities when in excess of 5%, or, in the case of an amount in US currency if applicable, RBUSBR plus 5% per annum or the highest premium indicated for any of the Borrower's facilities when in excess of 5%. Such interest on overdue amounts shall be computed daily, compounded monthly and shall be payable both before and after any or all of default, maturity, demand

- and judgement. For Borrowings secured by a mortgage, any amount that is not paid when due hereunder shall bear interest until paid at the same rate as the interest rate applicable to the principal amount of the Borrowings as specified in this Agreement.
- j) In the case of any reducing term loan and/or reducing term facility ("Reducing Term Loan/Facility"), provided that nothing contained in this paragraph shall confer any right of renewal or extension upon the Borrower, the Borrower and the Bank agree that, at the Bank's option, the Bank may provide a letter ("Renewal Letter") to the Borrower setting out the terms upon which the Bank is prepared to extend the Reducing Term Loan/Facility. In the event that the Bank provides a Renewal Letter to the Borrower and the Reducing Term Loan/Facility is not repaid on or before the maturity date of the applicable Reducing Term Loan/Facility, then at the Bank's option the Reducing Term Loan/Facility shall be automatically renewed on the terms set out in the Renewal Letter and the terms of this Agreement shall be amended accordingly.

PREPAYMENT

Where Borrowings under any term facility are by way of RBP and/or RBUSBR based loans, the Borrower may prepay such Borrowings in whole or in part at any time without fee or premium.

Where Borrowings under any term facility are at a fixed interest rate, provided an Event of Default shall not have occurred and be continuing, the Borrower may prepay such Borrowings on a non-cumulative basis up to the percentage indicated in this Agreement of the outstanding principal balance on the day of prepayment, without fee or premium, once per year during the 12 month period from each anniversary date of the Borrowing. Any prepayment of the Borrowing prior to the maturity date, in whole or in part (in excess of any prepayment explicitly permitted in this Agreement), requires an amendment of the terms of this Agreement. An amendment to permit such a prepayment requires the Bank's prior written consent. The Bank may provide its consent to an amendment to permit a prepayment upon satisfaction by the Borrower of any conditions the Bank may reasonably impose, including, without limitation, the Borrower's agreement to pay the Prepayment Fee as defined below.

The Prepayment Fee will be calculated by the Bank as the sum of:

- a) the greater of:
 - (i) the amount equal to three (3) months' interest payable on the amount of the fixed rate term facility Borrowing being prepaid, calculated at the interest rate applicable to the fixed rate term facility Borrowing on the date of prepayment; and
 - (ii) the present value of the cash flow associated with the difference between the Bank's original cost of funds for the fixed rate term facility Borrowing and the current cost of funds for a fixed rate term loan with a term substantially similar to the remaining term and an amortization period substantially similar to the remaining amortization period of the fixed rate term facility Borrowing, each as determined by the Bank on the date of such prepayment;

plus:

b) Foregone margin over the remainder of the term of the fixed rate term facility Borrowing. Foregone margin is defined as the present value of the difference between the Bank's original cost of funds for the fixed rate term facility Borrowing and the interest that would have been charged to the Borrower over the remaining term of the fixed rate term facility Borrowing;

plus:

c) a processing fee.

The Prepayment Fee shall also be payable by the Borrower in the event the Bank demands repayment of the outstanding fixed rate term facility Borrowing on the occurrence of an Event of Default. The Borrower's obligation to pay the Prepayment Fee will be in addition to any other amounts then owing by the Borrower to the Bank, will form part of the Borrowings outstanding and will be secured by the Security described herein.

The prepayment of any Borrowings under a term facility will be made in the reverse order of maturity.

EVIDENCE OF INDEBTEDNESS

The Bank shall maintain accounts and records (the "Accounts") evidencing the Borrowings made available to the Borrower by the Bank under this Agreement. The Bank shall record the principal amount of such Borrowings, the payment of principal and interest on account of the Borrowings, and all other amounts becoming due to the Bank under this Agreement. The Accounts constitute, in the absence of manifest error, conclusive evidence of the indebtedness of the Borrower to the Bank pursuant to this Agreement. The Borrower authorizes and directs the Bank to automatically debit, by mechanical, electronic or manual means, any bank account of the Borrower for all amounts payable under this Agreement, including, but not limited to, the repayment of principal and the payment of interest, fees and all charges for the keeping of such bank accounts.

CALCULATION AND PAYMENT OF INTEREST AND FEES

- a) The Borrower shall pay interest on each Overdraft, RBP and/or RBUSBR based loan monthly in arrears on the same day of each month as determined by the Bank. Such interest will be calculated monthly and will accrue daily on the basis of the actual number of days elapsed and a year of 365 days.
- b) The Borrower shall pay interest on each fixed and/or variable rate term facility in arrears at the applicable rate on such date as agreed upon between the Bank and the Borrower. Such interest will be calculated monthly and will accrue daily on the basis of the actual number of days elapsed and a year of 365 days.
- c) The Borrower shall pay an LC fee on the date of issuance of any LC calculated on the face amount of the LC issued, based upon the number of days in the term and a year of 365 days. If applicable, fees for LCs issued in US currency shall be paid in US currency.
- d) The Borrower shall pay LG fees in advance on a quarterly basis calculated on the face amount of the LG issued and based on the number of days in the upcoming quarter or remaining term thereof and a year of 365 days. LG fees are non-refundable. If applicable, fees for LGs issued in US currency shall be paid in US currency.
- e) Amounts payable by the Borrower hereunder shall be paid at such place as the Bank may advise from time to time in the applicable currency. Amounts due on a day other than a Business Day shall be deemed to be due on the Business Day next following such day. Interest and fees payable under this Agreement are payable both before and after any or all of default, maturity, demand and judgement.
- f) The Borrower shall not be obligated to pay any interest, fees or costs under or in connection with this Agreement in excess of what is permitted by Applicable Law.

g) The annual rates of interest or fees to which the rates calculated in accordance with this Agreement are equivalent, are the rates so calculated multiplied by the actual number of days in the calendar year in which such calculation is made and divided by 365.

FEES. COSTS AND EXPENSES

The Borrower agrees to pay the Bank all fees stipulated in this Agreement and all fees charged by the Bank relating to the documentation or registration of this Agreement and the Security. In addition, the Borrower agrees to pay all fees (including legal fees), costs and expenses incurred by the Bank in connection with the preparation, negotiation, documentation and registration of this Agreement and any Security and the administration, operation, termination, enforcement or protection of its rights in connection with this Agreement and the Security. The Borrower shall indemnify and hold the Bank harmless against any loss, cost or expense incurred by the Bank if any facility under the Credit Facilities is repaid or prepaid other than on its Maturity Date. The determination by the Bank of such loss, cost or expense shall be conclusive and binding for all purposes and shall include, without limitation, any loss incurred by the Bank in liquidating or redeploying deposits acquired to make or maintain any facility.

GENERAL COVENANTS

Without affecting or limiting the right of the Bank to terminate or demand payment of, or cancel or restrict availability of any unutilized portion of, any demand or other discretionary facility, the Borrower covenants and agrees with the Bank that the Borrower:

- a) will pay all sums of money when due under the terms of this Agreement;
