Re: Placeholder in 2014 budget for re-purposing of Sherwood Forest P.S.

Thank you for considering our request for a placeholder of \$250,000 in the 2014 budget for funds to re-purpose Sherwood Forest Public School. We have been working with seniors' groups in the community who are most interested in using this space for classroom, gym and office uses. The funds would be used for interior renovations as we have already determined that the main systems of the building are in good shape.

We look forward to updating city staff and Council on our progress with this project.

Sincerely,
