

## PUBLIC PARTICIPATION MEETING COMMENTS

### 3.2 PUBLIC PARTICIPATION MEETING – Application – 584 and 588 Wonderland Road North (OZ-9114)

- Councillor Cassidy: Any technical questions concerning this application? Seeing none I will go to Committee Rooms 1 and 2 to see if there is any member of the public that would like to speak to this. Go ahead, sir, if you would like to state your name and if you are comfortable stating your address; if not, you can give it to the Clerk in the room. Go ahead. You have five minutes.
- Haider Aljahlawi. Thank you so much for having me here. I am Dr. Haider Aljahlawi and I am representing this application here. I am a Dental Surgeon and I work in London and my practicing dental office is Wonderland and Commissioners, Dawn Dental Centre, and the idea was to relocate my office to Wonderland and Kingsway and then the plan expanded a little bit by adding the medical and small pharmacy to the site itself. That is briefly what I am planning to do and I have been working and serving London six years now and we have been dealing with what is happening here for the last three or four months but we have been dealing with emergencies and preventing people from going to hospitals and doing surgeries at our office. I'm here today, it's the first time for me to attend a meeting, a public meeting, and everything is new for me so I apologize if I am saying something not to be said here. If you have any questions I'm here to answer.
- Councillor Cassidy: No, you did fine. No mistakes, don't worry about that. Thank you very much. So I will go to the Committee to see if there are any questions of a technical nature or any questions of the applicant. Mr.Kirkness. It doesn't look like they have any questions. Thank you. Thank you very much. Are there any other members of the public in the Committee Room that would like to speak to this application?
- Michael Schulthess: I have canvassed and there are none in Committee Rooms 1 and 2.
- Councillor Cassidy: Thank you very much.
