Subject: [EXTERNAL] Site Plan Control Application 536-542 Windermere

Hi Leif,

I was forwarded a copy of the site plan by Fred Rodger. Although the date for comments was noted as July 3rd, I hope that the following input will be included in any other feedback you have received.

I would recommend that the perimeter of the property have a fence that its 8 feet high and that the developer also include trees on the east side of the property to match what has been planned for the west side.
