Subject: Fw: re-zoning 441 Industrial Road file Z-7945 BFI

Good afternoon Heather ;

Please add our name to the roster for the meeting.

I will either be attending in person or we will have representation to present our opinion on the land use change.

We are **not in favour** of the recycling depot being allowed on Industrial Road.

We own several properties on Industrial Road and Osler St.

Thanks ; Ed Borland
