Subject: Added SPPC item - Food policy council appointment

Dear Colleagues,

I would like to volunteer to fill Council's seat on the Middlesex-London Food Policy Council (MLFPC).

Previously, the Hamilton Road BIA and MLFPC met in the same time slot each month. A change was made for the BIA last week so there is no longer a conflict. I could participate in the September meeting if Council were to make the appointment during this cycle.

Many thanks,

Michael van Holst
City Councillor, Ward 1
