Committee: **Trees and Forests Advisory Committee**

Organization/Sector represented:

Name: **Michael Janzen**
Address: **27 Tweed Cres**, **London, ON N5X 1Z5**

Occupation: **Business Analyst/Solutions Developer**
Work experience: **I analyze business processes, map them out, and refine them. I analyze business data for Marketing and Communications to provide feedback on the direction the company is going.**
Education: **Community College. Currently working on BA.**
Skills: **I am simply a lover of nature.**

Interest reason: **I have been London since 1999. What drew me most to the city was the abundance of naturalized areas within the city itself. I find these areas a healthy get away for myself and my family and would love be part of keeping them available and in good order.**
Contributions: **My keen analytical skills could be a valuable asset.**
Past contributions: **None. This is the first time I have considered doing something of this nature.**
Interpersonal: **Much, it is part of what I do on a daily basis.**

Interview interest: **Yes**
