

Committee: **Accessibility Awareness Committee**

Name: **Cindy Bailey**

Address:

710-301 Baseline Road West, London, ON N6J 3T9

Occupation: **Support Worker**

Work experience: **You have this in your files, but I worked with those with various disabilities at New Frontiers and Middlesex Community Living, as well as Participation House.**

Education: **BA Psychology - UWO Social Service - Fanshawe**

Skills: **25 years experience. Additionally, I have done much volunteer work, Special Olympics, People First Mentor, and presently, a member of the Accessibility Awareness Committee for the City of London. I also sit on the Education/Conference Committee and the Non Visible disability committee. Additionally, the Facilities committee**

Interest reason: **I have spent a lot of time in the last 2 years very involved in this committee, in particular, the Conference. I serviced the past two years at the registration at the conference as well as the hard work we all put in prior to the conference. Two weekends ago, I sat at the library with another member, attempting to educate the public of the importance of the ACCAC, not many people know about it. I want to serve the City because I believe the Awareness committees are extremely important, and for me, in particular, the Accessibility committee**

Contributions: **I believe I work hard and have shown that in the past 2 years. The first year I sat in the ACCAC meetings, last November I became a member. However, I was a member for the the sub committees.**

Past contributions: **Policy Committees through my work agencies, Special Olympic Coordinator, People First Mentor, Human Resource committes. We always work very hard on volunteer committees.**

Interpersonal: **25 years experience**

Interview interest: **Yes**
