Re: Elimination of Issuing Parking Tickets to Commercial Operations/Car Dealerships Displaying Vehicles on Boulevards.

On behalf of Dale Downie Car Dealership, I recommend that the by-law be amended to allow commercial operations/car dealerships to enter into commercial-boulevard parking agreements with the City in order to avoid being issued parking infractions considering the owner/leaser of the property is paying for the maintenance of the land, (in most cases). This is an unfair practise that is detrimental to the growth of business.
