**Excerpt from By-law No. A-6151-17, Schedule A, Attachment A entitled "Disposal of Industrial Land Procedures"**

Disposal of Industrial Land Procedures

1. The purpose of this policy is to establish the terms upon which City-owned serviced industrial land is to be sold and transferred.
2. This policy is to be read and applied fairly and beneficially with such variations as circumstances or the nature of the subject matter require provided the general purpose, intent, meaning and spirit of the policy are maintained.
3. In this policy,
  - (a) Commencement of construction means the date upon which a building permit is issued by the City;
  - (b) Completion of construction is reached when the building or structure or a substantial part thereof is ready for use or is being used for the purpose intended, and;
  - (c) Coverage has the meaning ascribed to it under the applicable zoning by-law.

CLASS 1 SALE

4. A class 1 sale is a sale of a land for the purpose of the construction thereon of a building or structure for a detached industrial use.
5. A class 1 sale shall be subject to the following conditions:
  - (a) The purchaser shall commence construction within one year of the registration of the deed or transfer and shall diligently complete construction of the building or structure, in default of which the purchaser shall in the sole discretion of the City reconvey the land to the City in accordance with Section 18 of this policy and free and clear of all encumbrances, easements, restrictions or covenants except as to those originally assumed by the purchaser from the City.
  - (b) The minimum coverage of the building or structure shall be 15 per cent, provided however that, where the maximum coverage permitted under the applicable zoning by-law is 15 percent or less, the maximum coverage under the zoning by-law shall be deemed to be the minimum coverage required by this condition.
  - (c) The purchaser shall not within 10 years of the registration of the deed or transfer convey any vacant part of the land by deed, transfer, grant, assignment, appointment, mortgage, charge, lease or sub-lease (Planning Act, R.S.O. 1990, Chapter P .13), without first notifying the City and, where it has been so notified, the City may either grant its consent (which shall not be unreasonably withheld) to the conveyance or application or may in its sole discretion require the purchaser to reconvey the vacant part to the City in accordance with Section 18 of this policy and free and clear of all encumbrances, easements, restrictions or covenants except as to those originally assumed by the purchaser from the City.
  - (d) The purchaser shall pay local improvement charges and any other special levies assessed at any time against the land on and after completion of the purchase.
6. The Manager of Realty Services may grant one or more extensions (which in total shall not exceed two years) of the time set out in paragraph 5 (a) of Section 5 of this policy within which construction of a building or structure is to be commenced provided the purchaser has filed a written request with the Manager of Realty Services for the extension.
7. A purchaser wishing to notify the City under condition 5 (c) of this policy shall file a written request with the Manager of Realty Services who shall submit a recommendation thereon to Council through the Corporate Services Committee.

CLASS 2 SALE

8. A class 2 sale is a sale of a land for the purpose of the extension or enlargement of a building or structure erected or to be erected upon land of the purchaser abutting the land.
9. A class 2 sale shall be subject to conditions (c) and (d) of Section 5 of this policy and the further condition that the land shall not be used for any purpose other than the extension or enlargement of a building or structure erected or to be erected upon lands of the purchaser abutting the land.

CLASS 3 SALE

10. A class 3 sale is a sale that is not a class 1 or class 2 sale and that is a sale of a land for the purpose of a use ancillary to a building or structure erected or to be erected upon land of the purchaser abutting the parcel.
11. A class 3 sale shall be subject to conditions (c) and (d) of Section 5 of this policy and the further condition that the land shall not be used for any purpose other than a use ancillary to a building or structure erected or to be erected upon land of the purchaser abutting the parcel.

GENERAL

12. At least annually, the Manager of Realty Services shall review the pricing of industrial land and if a change in pricing is recommended, shall make a recommendation to Board of Control as to the price per acre at which land should be offered for sale during the ensuing year.
13. Pending receipt of an offer to purchase from a prospective purchaser, land may be reserved for a period of 30 days, provided however that, if during the reserve period the City receives an offer to purchase the same land in accordance with this policy from another prospective purchaser, the first prospective purchaser shall be allowed 5 days after notification within which to submit an offer to purchase at the same price and on the same terms; otherwise the City shall be at liberty to accept the second offer to purchase.
14. A prospective purchaser shall complete and execute an offer to purchase in the form provided by the City accompanied by a deposit payable to the City Treasurer by cash or certified cheque equal to 10 per cent of the total purchase price, and the balance shall be payable subject to usual adjustments upon completion of the transaction.
15. The Manager of Realty Services may submit an offer to purchase for acceptance by the City.
16. The transaction shall be completed within 120 days of the passing of the by-law accepting the offer to purchase or within such further period as may be agreed to between the City Solicitor and the purchaser's solicitor in the best interests of the City.
17. Where, in the City's opinion, land is properly sold through a real estate agent, the City shall pay a fee to the agent not exceeding the scale established by the City upon completion of the transaction but no fee shall be payable if the purchaser is permitted to withdraw from the agreement of purchase and sale prior to the completion of the transaction.
18. Where the whole or any part of land is reconveyed by the purchaser to the City pursuant to a condition of sale or otherwise, the amount payable upon the reconveyance shall be 90 per cent of either the original purchase price (exclusive of interest thereon), if the whole land is reconveyed, or the portion thereof that is in the same ratio as the area of the reconveyed part is to the whole land, subject to adjustments as of the date of reconveyance for taxes, local improvements and other rates and subject, where the City considers necessary, to the City's withholding until a new purchaser is found, an amount sufficient to compensate the City for the cost of restoring the land to its original condition if so required by the new purchaser.
19. The development of the property will be subject to the requirements of the Architectural Control Guidelines as published by the City of London from time to time and the purchaser acknowledges the contents thereof and agrees to conform to those Guidelines.
20. The cost of service connections from the main to the property line is the responsibility of the purchaser.
