Planning Policies

Any change to the Zoning By-law must conform to the policies of the Official Plan, London's long-range planning document. These lands are currently designated as Main Street Commercial Corridor in the Official Plan, which permits small-scale retail uses; service and repair establishments, food stores; convenience commercial uses; personal and business services; pharmacies; restaurants; financial institutions; small-scale offices; small-scale entertainment uses; galleries; studios; community facilities such as libraries and day care centres, correctional and supervised residences; residential uses (including secondary uses) and units created through the conversion of existing buildings, or through the development of mixed-use buildings as the main uses.

The subject lands are in the Main Street Place Type in The London Plan, permitting a broad range of residential, retail, service and office uses. Mixed-use buildings will be encouraged and retail and service uses will be encouraged at grade, with residential and non-service office uses directed to the rear of buildings and to upper floors.
