

TO:	CHAIR AND MEMBERS CIVIC WORKS COMMITTEE APRIL 8, 2013
FROM:	JOHN BRAAM, MANAGING DIRECTOR, ENVIRONMENTAL & ENGINEERING SERVICES & CITY ENGINEER
SUBJECT:	TENDER 13-36 REPLACEMENT OF SIDEWALKS, CURB & GUTTER AND HOT MIX ASPHALT

RECOMMENDATION

That, on the recommendation of the Managing Director, Environmental and Engineering Services and City Engineer, the following actions **BE TAKEN** with respect to the award of a contract for Tender 13-36, Replacement of Sidewalks, Curb & Gutter and Hot Mix Asphalt:

- a) the bid submitted by McCann Paving Inc., P.O. Box 100, Stratford, Ontario N5A 6S8 at their tendered price of \$2,507,254.08 (excluding HST) **BE ACCEPTED**; it being noted that the bid submitted by McCann Paving Inc. was the lowest of five bids received and meets the City's specifications and requirements in all areas;
- b) the financing for this project **BE APPROVED** as set out in the Source of Finance Report attached hereto as Appendix "A";
- c) the Civic Administration **BE AUTHORIZED** to undertake all of the administrative acts that are necessary in connection with this contract;
- d) the approval hereby given **BE CONDITIONAL** upon the Corporation entering into a formal contract or issuing a purchase order for the material to be supplied and the work to be done relating to this project (Tender 13-36); and,
- e) the Mayor and City Clerk **BE AUTHORIZED** to execute any contract or other documents, if required, to give effect to these recommendations.

BACKGROUND

Purpose:

This tender primarily supports the City's Annual Road Reconstruction Program (ARRP) which involves the reconstruction of secondary collector and local streets. The recommended award is based on the lowest tender received.

Discussion:

Tenders for the Replacement of Sidewalks, Curb & Gutter and Hot Mix Asphalt project were opened on March 13, 2013.

The ARRP is a unique program which uses a combination of City forces and the contractor to perform the works required for each individual street. This year 11 streets consisting of approximately 8.0 lane/km are proposed to be rehabilitated. Typically the City forces precede the contractor on each site to do removals and any sewer and watermain related works.

As noted on the Sources of Financing Report (Appendix "A"), a number of Capital accounts will be utilized to complete this project. The balance of funding in the approved Capital programs noted will be allocated to construction related projects through cost sharing arrangements with other Divisions and to City related expenses associated with these works and future works.

All tender submissions have been checked by the Construction Administration Division, Environmental & Engineering Services Department and are in order. Five (5) contractors submitted tenders as follows (exclusive of HST):

--	--

CONTRACTOR		TENDER PRICE SUBMITTED	CORRECTED TENDER PRICE
1.	McCann Paving Inc.	\$2,507,254.08	-
2.	Dufferin Construction Company	\$2,581,679.00	-
3.	Ro-Buck Contracting Limited	\$2,690,263.00	-
4.	Coco Paving Inc.	\$2,747,000.00	-
5.	DEL-KO Paving and Construction Company Ltd.	\$2,845,158.00	-

The tender estimate just prior to opening was \$2,600,000.00 (excluding H.S.T.).

All tenders include a contingency allowance of \$150,000.00 (excluding H.S.T.).

Summary:

Funding for this project has been provided in 2013 Capital budgets.

There are no anticipated additional operating costs associated with this work upon project completion.
