March 25, 2021

Chair and Members
Community and Protective Services Committee
City of London

Re: item 2.8 of your March 30, 2021 agenda

The Conservation Action Committee of Nature London supports the staff recommendation. Continued efforts to control invasive species in our City helps protect and enhance Environmentally Significant Areas and Significant Woodlands. Our compliments to you and staff for continuing this important program.

Sincerely,

A handwritten signature in black ink, consisting of the letters 'SL' in a cursive, stylized font.

Sandy Levin
Chair, Conservation Action Committee
Nature London
