

TO:	CHAIR AND MEMBERS CIVIC WORKS COMMITTEE MEETING ON APRIL 8, 2013
FROM:	JOHN BRAAM, P. ENG. MANAGING DIRECTOR, ENVIRONMENTAL & ENGINEERING SERVICES AND CITY ENGINEER
SUBJECT	AMENDMENTS TO THE TRAFFIC AND PARKING BY-LAW

RECOMMENDATION

That on the recommendation of the Managing Director, Environmental & Engineering Services and City Engineer, the attached proposed by-law (Appendix "A") **BE INTRODUCED** at the Municipal Council meeting to be held on April 16, 2013 for the purpose of amending the Traffic and Parking By-law (P.S. 111).

BACKGROUND

The Traffic and Parking By-law (P.S.111) requires amendments (Appendix "A") to address traffic safety, operations and parking concerns. The following amendments are proposed:

1. No Stopping at School Crosswalks

There are ongoing safety concerns with vehicles stopping in close proximity of school crosswalks when picking up or discharging passengers. It is proposed to prohibit stopping of any vehicle within 20 meters of marked School Crosswalks, when official signs have been erected. This will increase the sight lines for both drivers and pedestrians. Amendments are required to Section 1 Definitions "Crosswalk" and Section 8 No Stopping.

2. Schedule 8 – Prohibited Turns

A review of the Schedule 8 – Prohibited Turns of the by-law found inconsistencies or typographical errors in the direction and/or description of the prohibited turn. The complete list of changes is listed in Appendix "B". It is proposed to delete the contents of Schedule 8 - Prohibited Turns entirely and replace it with new locations and descriptions.

3. Through Highways

Blackacres Boulevard is being extended westerly to Dalmagarry Road as part of new subdivisions under construction. It is necessary to update the limits of Blackacres Boulevard in Schedule 13 - Through Highways.

4. Two Hour Metered parking Zone

A review of the schedule 20 – Two Hour Metered Parking Zones of the by-law found typographical error and repeated description of the two hour parking limits on the south side of Queens Avenue just east of Ridout Street North. An amendment is required to Schedule 20 - Two Hour Metered Parking Zone.
