What do you hope to contribute or learn as part of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I am London born and raised, and have worked in London all my life. I started cycle commuting in my 20's and continue to cycle commute at least 6 months a year now, 30+ years later.

My wife and I have cycle toured a number of times, including a 10 day, unsupported 1000km ride around Lake Ontario carrying our clothes, food and camping gear.

I have participated in MS Bike tours for 15 years, including 11 years as a tour leader.

I hope to contribute my cycling experience to the committee.

How will you support the work of an Advisory Committee? (maximum 750 characters, attach an extra sheet if you need more space)

I am new to advisory committees, so unsure how I can support that work. I am a lifelong cyclist, and have an interest in promoting cycling in general, and in London specifically.

Please describe additional experience, training, or community involvement that will help you in your role as an Advisory Committee Member. (maximum 750 characters, attach an extra sheet if you need more space)

I am Can-Bike trained as an instructor, but my certification is lapsed as I don't intend to instruct in future.

I was involved with TREA for several years, attending meetings on an occasional basis.
