Analysis

1.0 Background Information

1.1 Previous Reports Related to this Matter

- Community and Protective Services Committee - Administrative Monetary Penalties – October 6, 2020, June 17, 2019, December 11, 2018 and January 23, 2018.

1.2 Analysis

On June 29, 2019, Municipal Council passed the Administrative Monetary Penalties System By-law (AMPs) with an effective date of November 1, 2019. The AMPs process is an alternative method of issuing Provincial Offences Act (POA) tickets for parking violations and other by-law matters. The AMPs process transfers by-law disputes from the courtroom to the municipality through the use of screening officers and independent hearing officers who are able to reduce, cancel, or affirm penalties. For parking violations, AMPs can be served on a vehicle, by mail, email or fax. For all other by-law violations, service can be done in person and also by mail, email or fax.

The intent of the attached amendments is to support the use of AMPs to address additional municipal by-law violations. The by-laws recommended for AMPs are: Pit Bull Dog Licensing By-law PH-12; Animal Control By-law PH-3; Dog Licensing & Control By-law PH-4; Dogs Off-Leash Areas By-law PH-7; Fence By-law PS-6; Swimming Pool Fence By-law PS-5; Naming of Highways and Numbering of Buildings & Lots By-law B-1; Sound By-law PV-12; Parks & Recreation Area By-law PE-2; Public Nuisance By-law PH-18; Sign By-law S.-5868-183; Vehicle for Hire By-law L.130-71; Abandoned Refrigerator, Freezer & Containers By-law PW-2; Municipal Waste and Resource Materials Collection By-law WM-12; Streets By-law S-1. The penalty amounts have been included in the amendment. Officers have the discretion to apply escalated penalties (double the original penalty) for repeat similar offences.
