

Please include my request and the following letter for context for my presentation at CPS.
Let me know if my request is approved and I'll follow up with presentation materials.
Thanks,
Sarah

Dear City Clerk,

I on behalf of the coalition of organizations related to the Winter Interim Response to Homelessness, now identifying as the WISH to Be Home Project, are seeking delegation status for CPS on June 1 and also for council on June 15 related to the extension of services for high acuity homeless populations following the Winter Response. If delegation is granted, we would like to provide materials in advance for a presentation, please provide information on how to do this.

Thank you very much,

Sarah Campbell
