

#### **4) Awareness & Education Working Group (A&E-WG)**

As per the mandate of CS & CP Advisory committee is specifically responsible for:

- developing, encouraging and promoting activities and education programs for Londoners of all ages on safety in the community, such as (but not limited to) injury prevention, pedestrian safety, traffic safety, bicycle safety, water safety and fire prevention;
- developing, encouraging and promoting activities and education programs for Londoners of all ages on the prevention of crime in the community;

It is proposed that a Working group may be formed to address above mentioned mandated points and develop a comprehensive program for the approval from Council so that same be used by various organizations and community groups in London.

## **5) Contact & Coordinations with Departments, Agencies, community associations, Boards & Commissions.**

Liaising, facilitating and working in cooperation with Civic Departments, other advisory committees of Council, Boards of Education, local Boards and Commissions, the media and any other organizations interested in the coordination of safety and crime prevention programs and activities, is one of most important point in the mandate of the CS & CP Advisory committee.

Community safety & crime prevention is an ever live subject where scenarios change rapidly. Various agencies working within the City develop/modify/update to address community safety & crime prevention within their respective domains.

A coordination & liaison work group ( C&L-WG) may be formed with the following mandate:

a) Be in touch with the agencies/bodies mentioned above and witness/attend CPSC meetings on behalf of CS & CP AC.

b) The Chair of the C&L WG will share the updates about the meeting attended by member(s) of C&L WG in the regular meeting of CS & CP AC.
