

3) Onboarding Community and Protective Services Committee and invitation to Chair to participate in August meeting of CS & CP.

The CS & CP Advisory Committee serves as a resource, information gathering and advisory body to the Municipal Council on matters pertaining to safety and crime prevention in the City of London. The CS & CP Advisory Committee reports to the Municipal Council, through the Community and Protective Services Committee.

To align the efforts, initiatives and Work plan items of CS & CP Advisory committee with City of London's "Community and Protective Services Committee",

a) Councillor Jesse Helmer, Chair Community and Protective Services Committee may be requested to join the CS & CP August meeting to take CS & CP AC onboard on various initiatives of CPSC and may recommend/propose how CS & CP AC may contribute as a resource for the CPSC as described in TOR.

b) Meeting Agendas of CPSC may be shared with CS & CP AC.
