

Committee: **Accessibility Advisory Committee**

Organization/Sector represented: **City of London**

Name: **Martha M. Dyer**

Address:

**1140 St. Anthony Rd
Side Entrance off Hampton Cres
London, ON, N6H 2R1**

Home telephone:

Business telephone:

Email:

Occupation: **Retired Registered Nurse**

Work experience: **I have had experience as a Registered Nurse in the Intensive Care Unit at two large city hospitals. After being paralyzed in 2001 I worked for 6 years as a Registered Nurse with Telehealth Ontario**

Education: **After graduating from Grade 13 at Oakridge S. S. I went to Mohawk College in Brantford and then Hamilton and graduated from the Registered Nursing Program**

Skills: **Being in a wheelchair for 12 years now and having the education and work experience as a Registered Nurse, I believe, gives me a lot of insight into the needs of the disabled from both sides.**

Interest reason: **As a disabled individual I feel it is my job to look out for opportunities to help improve the quality of living for myself and others in my situation.**

Contributions: **I believe that after twenty three years as a Registered Nurse and twelve years in a wheelchair myself and having various medical conditions I have a lot of experience and insight into the needs of the disabled in our community.**

Past contributions: **I have served on various committees during my nursing career and presently serve on the Accessible Public Transit Service Advisory Committee for the London Transit Committee**

Interpersonal: **I have a lot of experience in exchanging my views with others especially in this regard as just living life in general gives ample opportunity for this. Now, after living 12 years in a wheelchair, I have had lots of opportunities both in my work as a RegN and on various small committees and now on the APTSAC committee, to share and exchange views on so many different levels both professionally and personally**

Interview interest: **Yes**
