To: The Chair of the Transportation Advisory Committee

Re: Resignation

Dear Miss Mercier:

It is with regret that I am informing you of my resignation from TAC. Recent changes in my personal and professional life have prevented me from attending recent meetings and I feel the position would be better filled by someone with more time.

The Old East Village BIA will be discussing a potential replacement at their next meeting.

Sincerely,

S. Clark Bryan
Executive Director, The Aeolian
Board Member, OEV BIA
