Subject: [EXTERNAL] Delegation request for Sept 7 public agenda

Hello,

I am writing today because I am very concerned with the path the city is on in regards to vaccine mandates. I cannot believe that the public servants in the city let alone our country and around the world are allowing for the creation of a two tiered society. It is disgusting. If it is possible I would like to speak at the meeting on Tuesday September 7th. I will await your response.

Thank you,

Angela
