Chair and Members  
Civic Works Committee

**Re: Bruce Street and Elmwood Avenue**

I respectfully request for staff to review changing Bruce Street and Elmwood Avenue, between Ridout Street North and Wharncliffe Road South, from one-way streets to two-way streets.

It has become a safety issue with the increased traffic in the area, and cars have been seen driving in the wrong direction almost daily.

Respectfully submitted,

Denise Brown  
Councillor, Ward 11
