Planning Policies

Secondary Plans are prepared to provide for a coordinated planning approach and more detailed policy guidance. Secondary Plans are adopted by Municipal Council to form part of the Official Plan and elaborate on the parent policies of *The London Plan*. The Masonville Secondary Plan consists of policies and maps (schedules) that provide more specific direction to guide redevelopment, establish street and pathway networks, identify park spaces, establish more detailed policies for land use, intensity and built form, and establish transitional and interface policies.

The subject lands are currently designated as Multi-Family, Medium Density Residential, Multi-Family, High Density Residential, Enclosed Regional Commercial Node, and Office Area in the *1989 Official Plan*, which permits a broad range of retail, commercial, office, mid-rise and high-rise residential uses.

The subject lands are in the Transit Village Place Type in *The London Plan* which permits a broad range of retail, commercial, office, mid-rise and high-rise residential uses. Transit Villages are intended to be exceptionally designed, high-density, mixed-use urban neighbourhoods that are well connected by transit.
