Executive Summary

Each year, the Civic Administration reviews the Various Fees and Charges By-law to ensure that user fees reflect the costs of providing City services to the public. Section 2 of this report outlines the areas where changes to fees and charges are being proposed. The status of each fee is noted in the Schedules, which have been reformatted to comply with *Accessibility for Ontarians with Disabilities Act* (AODA) requirements.

In addition, fees and charges that are currently set out in the three Animal Control related By-laws, PH-3, PH-4 and PH-5 are proposed to now be incorporated into the Various Fees and Charges By-law.

Analysis

1.0 Background Information

1.1 Previous Reports Related to this Matter

1.2 Legislative Context

Section 391(1) of the *Municipal Act, 2001*, S.O. 2001, c.25, authorizes a municipality to impose fees or charges on persons,

- (a) for services or activities provided or done by or on behalf of it;
- (b) for costs payable by it for services or activities provided or done by or on behalf of any other municipality or any local board; and
- (c) for the use of its property including property under its control.

On November 12, 2019, the Municipal Council enacted Fees and Charges By-law A-55 which represented the Municipality’s second multi-year Fees and Charges By-law. A multi-year Fees and Charges By-law aligns with the Municipal Council’s 2020-2023 Multi-Year Budget, allowing the Municipality and the public to be aware of any potential future changes to fees and charges related to the provision of service.

Amendments to the fees and charges for 2021 through 2023 were enacted by Municipal Council with the Fees and Charges By-Law A-56 on October 27, 2020.

The Civic Administration is bringing forward for the Municipal Council’s consideration, the attached proposed multi-year Fees and Charges By-law (Appendix “A”) for 2022 and 2023, to coincide with the term of the 2020-2023 Multi-Year Budget.

1.3 New Schedule Format – AODA Compliant

Since the By-law was last amended, the format of the Fees and Charges Schedules has been updated to be complaint with the *Accessibility for Ontarians with Disabilities Act* (AODA), and to work with a screen reader. Each fee name includes the heading the category and the specific fee, and each fee effective date is listed on its own line.

2.0 Discussion and Considerations

2.1 Summary of 2022-2023 Proposed Changes to Fees and Charges

Schedules 1 and 2 to the attached proposed by-law (Appendix “A”) sets out the proposed 2022 and 2023 (respectively) fees and charges for each service area. On Schedules 1 and 2 to the proposed by-law, the nature of the change proposed for each fee is indicated in the Status column: unchanged, increased, new, or discontinued. The Status column refers to the proposed fee relative to the multi-year Fees and Charges By-law enacted by Municipal Council on October 27, 2021.

New fees are being proposed in Building Approvals, Animal Services, By-Law Enforcement and Property Standards.

Increased fees are being proposed in Garbage, Recycling & Composting, Building Approvals, Development Services, Animal Services, Fire Services, and Parking (Park and Ride).

A decreased fee is being proposed for composters and digesters, while the proposed discontinued fees are: Rental Residential Licencing Appeal Fee; Traffic Control & Lighting, Flashers Barricade; and several fees in Low Income Subsidized Spay/Neuter & Approved Fostering Organization Program Fees for Dogs and Cats.

Rationales for the proposed changes are summarized below.

Environmental Services, Garbage, Recycling and Composting

The Recycling and Composting: Composters and Digesters fee is proposed to be decreased from \$35 to \$20 in 2022, in response to an Action Item in the 60% Waste Diversion Action Plan. This reduction is proposed to be continued in 2023.

1. Recycling and Composting: Composters and Digesters Unit Decrease Jan. 1/22 \$20.00

In addition, four increases to offset inflationary costs are proposed for 2022 in Recycling and Composting for Recycling Carts, and in Garbage Collection and Disposal, Drop-off Depot Fees, Renovation Materials. These proposed 2022 increases are proposed to remain in effect for 2023 with no further increases being proposed.

1. Recycling and Composting: Recycling Carts Cart Increase Jan. 1/22 \$90.00
2. Garbage Collection and Disposal, Drop-off Depot Fees, Renovation Materials: Small Load N/A Increase Jan. 1/22 \$27.00
3. Garbage Collection and Disposal, Drop-off Depot Fees, Renovation Materials: Car Load N/A Increase Jan. 1/22 \$54.00
4. Garbage Collection and Disposal, Drop-off Depot Fees, Renovation Materials: Truck, Van, Small Trailer Load N/A Increase Jan. 1/22 \$75.00

Planning and Development, Development Services

The Civic Administration is recommending fee increases for all planning and development applications, with increases generally at 15%. The fees were last reviewed in 2018.

It had been intended that a comprehensive fees review would be undertaken in 2020 in response to recommendations arising from previous internal audit reviews and the Service Review undertaken by KPMG. However, due to the impacts of COVID-19 on the development sector, the Civic Administration deferred the fees review in 2020 and in 2021. The comprehensive fees review will be undertaken in 2022.

As part of the above-noted review, Hemson Consulting has been retained to assist with the comprehensive review to conduct analysis related to staffing costs for application review, indirect costs and comparative municipal planning and development fees. The review will result in a suggested range of service cost recovery from user fees for Council's consideration.

In addition, new fees to register and deregister Building Code Orders are proposed in 2022 (and continued in 2023) to cover the costs associated with issuing an order for a building code violation.

There are a number of proposed fee changes that are outlined in Schedules 1 and 2 of the proposed attached by-law (Appendix "A")

Protective Services, Animal Services

Many of the Fees and Charges for Animal Services are proposed to be increased in 2022 and 2023. Only 14 fees remain unchanged in this service area. The proposed fee increases reflect the cost of services, supplies and equipment. The last fee increases occurred in 2017.

Additional proposed amendments include discontinuing fees for services that are no longer offered and adding fees for new services offered, such as new medications and treatments for animals.

Schedule 1 attached to the proposed by-law sets out the 2022 Fees and Charges – Protective Services. These changes are proposed to continue in 2023 and are reflected in the attached Schedule 2.

This report also recommends amendments to the Animal Control By-law PH-3, Dog Licensing By-law PH-4 and Poundkeeper By-law PH-5, to reflect the removal of the Fees from these by-laws and to instead place the fees in the Various Fees and Charges By-law.

Protective Services, By-Law Enforcement & Property Standards

The Rental Residential Licencing Appeal Fee is proposed to be discontinued as this Fee is duplicated in the Licensing & Certificates: Sundry Receipts - Hearing Fee listed under Corporate, Operational & Council Services: Public Support Services.

The following new fee is proposed for Property Standards and is proposed to remain the same in 2023:

1. Public Property Compliance, Winter Maintenance: Objects or vehicles removed from road allowance (including projections into or over) New Jan. 1/22 \$50.00 minimum, or actual cost whichever is greater

Protective Services, Fire Services

Fee increases are proposed for Fire Fighting, i) Highway/Local Vehicle Incidents (non-residents) to align with the authorized Ministry of Transportation emergency response rate. Other proposed increases will align with the rates charged by fire departments in other municipalities and will better reflect the actual work involved with requests for Fire Fighting, v) Incident Response Report, and Fire Prevention & Education, ii) File Search Letter. The 2022 fees will remain the same in 2023.

1. Fire Fighting, i) Highway/Local Vehicle Incidents (non-residents): First Hour (per Fire vehicle) Increase Jan. 1/22 Authorized MTO Rate - currently \$488.40
2. Fire Fighting, i) Highway/Local Vehicle Incidents (non-residents): Additional ½ hour or part thereof (per Fire vehicle) Increase Jan. 1/22 Authorized MTO Rate - currently \$244.20
3. Fire Fighting, i) Highway/Local Vehicle Incidents (non-residents): Flat fee for responding where services not required Increase Jan. 1/22 Authorized MTO Rate - currently \$488.40
4. Fire Fighting, v) Incident Response Report Increase Jan. 1/22 \$100.00
5. Fire Prevention & Education, ii) File Search Letter Increase Jan 1/22 \$75.00

Transportation Services, Parking

London Transit Commission increased its park and ride fare by \$10, and the proposed fee increase reflects that for 2022 and 2023.

| | | | | |
|---------------|---------|----------|-----------|---------|
| Park and Ride | Monthly | Increase | Jan. 1/22 | \$70.00 |
|---------------|---------|----------|-----------|---------|

Transportation Services, Roadways

Traffic Control & Lighting, Flashers Barricades are proposed to be discontinued because they are no longer used.

3.0 Financial Impact/Considerations

3.1 Impact of the proposed changes on the Multi-Year Budget

User fees are an integral funding source for the services provided to Londoners. Depending on the service, this revenue source is intended to recover all or part of the costs associated with providing the service. The changes to fees and charges outlined in this report have already been factored into the 2020-2023 Multi-Year Budget and hence do not require a budget amendment.

4.0 Key Issues and Considerations

4.1. Alignment with Annual Budget Update

The City of London introduced an organizational restructuring that came into effect on May 4, 2021. While the City continues to implement the various changes from this process, it is important to note that the City's Multi-Year Budget is presented in a service-based structure, as opposed to mirroring the organizational structure. This approach has been undertaken to ensure consistent terminology between the budget and the Various Fees and Charges By-law.

5.0 Conclusion

The Civic Administration is recommending the attached proposed by-law (Appendix "A") to amend the Various Fees and Charges By-law be enacted. The following summarizes some of the proposed amendments:

- a) new fees in Planning and Development Service - Building Approvals, Protective Services - Animal Services and Property Standards;
- b) fee increases in Environmental Services - Garbage Collection, Planning and Development Services, Protective Services - Animal Services and Fire Services, and Transportation Services;
- c) decreased fees for composters and digesters; and,
- d) that the following fees be discontinued: Rental Residential Licencing Appeal Fee, Low Income Subsidized Spay/Neuter & Approved Fostering Organization Program Fees for Dogs: De-wormer at time of spay/neuter (including flea treatment), De-wormer at time of spay/neuter, Flea Treatment (one time with spay/neuter), and Surolan ear medication (antibiotic) and for Cats: Flea: Take home treatments with spay/neuter - 7 applications of Revolution Plum for multi-cat households, and Feluk/FIV blood test x 15, and Traffic Control & Lighting, Flashers Barricade.

There are no proposed amendments to the fees and charges in 2022 and 2023 in the service areas of: Culture Services; Parks, Recreation and Neighbourhood Services; Social and Health Services, Long-term Care; Corporate, Operational & Council Services; and Financial Management.

Subject to the approval of the amendments to the Various Fees and Charges By-law related to Animal Services, it is recommended that the proposed amendments to the Animal Control By-law PH-3, Dog Licensing By-law PH-4 and Poundkeeper By-law PH-5, be approved to reflect the removal of the fees from these by-laws to instead place the Fees in the Various Fees and Charges By-law.

- 2) All numbers that exceed a whole number shall be taken to the next highest whole number.
- 3) Fee names marked with "+" will be indexed annually commencing January 1, 2020. As per Amendments to Consolidated Fees and Charges By-Law A-55, the index value for fee increases are to be taken from the same index as Development Charges. The Construction Cost Index uses the 3rd quarter publication from Statistics Canada, available in November of each year. The fees identified are those for 2022, which will be indexed in 2023. The index increase generally ranges between 2.5% and 3.5%. Note that after the indexed rate is applied, as per Bylaw A-55, all fees are then rounded to the next highest dollar amount.

- 2) All numbers that exceed a whole number shall be taken to the next highest whole number.
- 3) Fee names marked with "+" will be indexed annually commencing January 1, 2020. As per Amendments to Consolidated Fees and Charges By-Law A-55, the index value for fee increases are to be taken from the same index as Development Charges. The Construction Cost Index uses the 3rd quarter publication from Statistics Canada, available in November of each year. The fees identified are those for 2022, which will be indexed to 2023 values. The index increase generally ranges between 2.5% and 3.5%. Note that after the indexed rate is applied, as per By-law A-55, all fees are then rounded to the next highest dollar amount.
