The Multi-family, Medium Density Residential designation permits multiple-attached dwellings, low rise apartment buildings, rooming and boarding houses, emergency care facilities, converted dwellings, and small-scale nursing homes, rest homes and homes for the aged as the main uses. Normally height limitations will not exceed four storeys and density will generally not exceed 75 units per hectare, with provision for up to 100 units per hectare with bonusing. The Open Space designation permits agriculture; woodlot management; horticulture; conservation; essential public utilities and municipal services; and recreational and community facilities; may also be permitted.
