Subject: Licensing Fee Increase- Monday, June 17, 2013

Dear Lauren:

I was told that I could submit this information to you, as a very concerned landlord and very concerned tax payer.

I hope this information will be reviewed by the Members of Council and city of London Staff and I'm counting on the expertise and intelligence of our Members of Council to come to the right decision to please scrap the Landlord License Program.

Please do the right thing now, if you are not sure of the numbers (???), here they are as per attached submission, please have a good, hard look at it and the decision is obvious. Remember that this affects everyone because if you are running a program, any program at all that results in a loss of money everyone is affected.

I'm very disappointed with our City Staff running our city, what other waste programs are you trying to approve??? If You are ok to proceed with a program that wastes so much (\$1,100,000.00 in this particular case) of your tax payers money, what else is there that we should all be aware of??.

I thank you for your time and please, please have some consideration for your taxpayers which pay your wages and in turn, all we expect is a competent job.

Respectfully,

Leocadia (Lee) Gaspar
