### **Public Information Centre:**

Join us virtually on November 4, 2021 to:

- view the near-final designs for the East London Link, Phase 1 (King Street from Wellington Street up to Lyle Street)
- view concepts of the bus stations and streetscapes
- learn more about the plans for construction
- participate in a Q&A session with the project team

#### Meeting Details:

Thursday, November 4, 2021  
5:00 pm – 7:00 pm  
Visit **Zoom.us/join**, or  
**getinvolved.london.ca/eastlondonlink**  
for details on how to join by phone

#### How to join:

1. Enter **zoom.us/join** in your browser
2. Enter the **meeting ID: 940 2131 2408**
3. Enter your **name** and **email**
4. Enter meeting passcode: **'eastlink'**

A recording of this meeting and all the latest materials and information on the East London Link project will be posted on the project website **getinvolved.london.ca/eastlondonlink** on November 5, 2021 for those who are not able to attend the live event.

**About the East London Link project:**

The East London Link will revitalize more than 6 km of road from Downtown to Fanshawe College. The project will add rapid transit and transportation improvements including transit links to the City’s eastern industrial employment areas. At the same time, the City will repair and replace aging sewers and watermains.

The project has received Ministry of the Environment, Conservation and Parks approval of the Environmental Assessment and is now in the detailed design stage, to prepare for construction in 2022.

The full East London Link project will:

- improve traffic capacity and revitalize the 6.3 km of road from Downtown to Fanshawe College
- add enhanced bus stops and transit stations
- install transit lanes on King and Dundas Streets
- widen Highbury Bridge, Highbury Avenue and Oxford Street to establish continuous transit lanes
- address necessary underground work, including replacing aging sewers and watermains to accommodate future growth
- add boulevard enhancements and new street lights
- move buses into their own bus lane and install smarter traffic signals to reduce intersection delays and improve safety and capacity for all road users

We recognize that not everyone will be able to access this information online. If you require any special accommodation, or have questions about the project, please contact the Major Projects Office at [eastlondonlink@london.ca](mailto:eastlondonlink@london.ca), or 519-930-3518.

Sincerely,

Ted Koza  
Division Manager, Major Projects  
City of London
