**Subject:** Councilor Vacancy on Tourism London Board of Directors

Hello Barb and Anastasia,

In Cathy's absence, I would like to respectfully acknowledge Ms. Kayabaga's work on our Board. With the vacancy now as a result Ms. Kayabaga's new role, Tourism London will continue it's work and is comfortable with having a vacancy until Council makes a decision related to replacement and accompanying roles and responsibilities. There is no urgency as a result of this vacancy.

Please let me know if you have any additional questions or concerns.

Best,

**Cheryl Finn**
