## Planning Policies

Any change to the Zoning By-law must conform to the policies of the Official Plan, London's long-range planning document. These lands are currently designated as Low Density Residential and Multi-Family Medium Density Residential.

The Low Density residential designation permits a range of land uses including townhouses with a maximum of 30 units per hectare (UPH), as well as opportunities for intensification, where appropriate, up to 75 UPH (Policy 3.2.1 - 3.2.3). The Multi-Family Medium Density designation permits a range of land uses including such as townhouses and stacked townhouses up to four-storeys in height and permits a maximum density of 75 UPH and a minimum of 35 UPH. (Policy 3.3.1-3.3.3)

The subject lands are in the Neighbourhoods Place Types in The London Plan. The Neighbourhoods Place Type permits a broad range of housing types including stacked townhouses and low-rise apartment buildings, home occupations, group homes, small-scale community facilities, emergency care establishments, rooming houses, supervised correctional residences, mixed-use buildings and stand-alone retail, service, and office buildings. The London Plan contemplates bonusing up to, but not exceeding a maximum of 6-storeys at this location.
