Subject: Solutions for Limo and Taxi Business

Hello member of steering Committee,

I would like to share the following key solutions

A- You need to form at City of London TLC (Taxi Limo Commission) Just Like New York City have to Control 12,000 Cabs and Black car Limos

<http://www.nyc.gov/html/tlc/html/home/home.shtml>

B- Hailing for Limos need to be prohibited in City by laws only on dispatch call based you can call limos. Hustling need to be enforced properly by law and enforcement division of newly formed Taxi Limo Commission of London (TLCL).

C- Hi Technology solutions need to acquired to secure the drivers of both Cabs and Limos in the event of accident or crime. I have the solutions for City of London (TLCL).

Thanks once again providing me the opportunity
