December 8, 2021

Scott Stafford
Manager, Parks and Forestry

I hereby certify that the Municipal Council, at its meeting held on December 7, 2021, resolved:

That the following actions be taken with respect to the 8th Report of the Trees and Forests Advisory Committee from its meeting held on October 27, 2021:

a) the City BE REQUESTED to use the new Municipal Climate Lens tool to explore the implications of varying hydro lines in new developments or developments particularly as it relates to reducing the impact of severe storms on the electrical systems as well as on improving the ability to plant much larger trees along sidewalks in order to make walking a more attractive form of transportation; and,

b) clauses 1.1, 2.1, 2.2 and 4.1 BE RECEIVED for information. (2.1/17/PEC)

C. Saunders
City Clerk
/pm

cc: J-A Spence, Manager, Urban Forestry, Environment and Infrastructure
A. Beaton, Manager, Forestry Operations, Environment and Infrastructure
S. Rowland, Urban Forestry Planner, Environment and Infrastructure
Chair and Members, Trees and Forests Advisory Committee
