Experience and Qualifications

If you have experience on a London Board or Commission, please provide dates and details. (max. 3000 characters):

Unfortunately no experience.. yet.

What do you hope to contribute or learn as part of a Board or Commission? (max. 3000 characters):

From my 25 years living in london, and at least 22 years of that spent in LMCH I have a unique insight into the community(their beliefs and behaviors). I hope to accurately represent the wants of the community at the same time as learning what is truly needed to fully encourage and motivate proper change.

How will you support the work of a Board or Commission? (max. 3000 characters):

I will do whatever is necessary to enact change and to get others motivated. I am just a single voice among many. I hope with proper guidance to help bring together multiple groups/branches so communication will come with more ease. It is by connecting the appropriate parties(or their wishes) I hope to make (the) future oppurtunities or endeavors of the community a lot more accessible and stress free.

Please describe additional experience, training, or community involvement that will help you in your role as a Board or Commission Member. (max. 3000 characters):

When it comes to taxable or official job titles you won't find much under the heading "Charles Mastrotucci". I'm quite unknown in the city, I've mainly kept to myself for the better part of my life. But there comes a time when cleaning up your local parks or babysitting a friend's children just isnt enough . I know I'm capable of giving back so much more. My community is one of the few things I truly care about and want to give back to.
