Requested Zoning By-law Amendment

Requested Zoning (Please refer to attached map)

Possible Amendment to Zoning By-law Z.-1 to change the zoning from an Urban Reserve UR1, Environmental Review ER and Light Industrial LI1/LI7 Zone to:

- Residential R1 (R1-4) Zone (Lots 1-78) - to permit single detached dwellings on lots with a minimum lot area of 360 square metres and minimum lot frontage of 12 metres;
- Residential R6 Special Provision (R6-5(*)) Zone (Blocks 79 - 81) – to permit various forms of cluster housing including single detached, semi-detached, duplex, triplex, fourplex, townhouse, and stacked townhouse dwellings up to a maximum density of 35 units per hectare and maximum height of 12 metres;
- Open Space OS4 Zone (Block 82 - 84) – to permit such uses as conservation lands, conservation works, golf courses, public and private parks, recreational buildings associated with conservation lands and public parks, campgrounds, and managed forests.

The City may also consider applying holding provisions in the zoning to ensure adequate provision of municipal services, that a subdivision agreement or development agreement is entered into, and to ensure completion of noise assessment reports and implementation of mitigation measures for development in proximity to arterial roads.

Both Official Plans and the Zoning By-law are available at london.ca.

Planning Policies

Any change to the Zoning By-law must conform to the policies of the Official Plan, London’s long-range planning document. These lands are currently designated as Low Density Residential and Multi-Family, Medium Density Residential in the 1989 Official Plan, which permits single-detached, semi-detached, duplex, row houses or cluster houses; low-rise apartment buildings; rooming and boarding houses; emergency care facilities; converted dwellings; and small-scale nursing homes, rest homes and homes for the aged as the main uses.

The subject lands are in the Neighbourhood Place Type in The London Plan, permitting a range of residential uses in the form of single-detached, semi-detached and townhouse dwellings.
