**Agenda Items**

**1. Demolition Request for Heritage Listed Property at 3700 Colonel Talbot Road**

The Stewardship Sub-Committee reviewed the Heritage Impact Assessment (MHBC, dated September 24, 2021) that was submitted as part of the demolition request for the buildings on the heritage listed property at 3700 Colonel Talbot Road.

K. Gonyou shared photographs of the property at 3700 Colonel Talbot Road from a site visit.

The Stewardship Sub-Committee noted the impact of the Pumping Station on the property and the integrity of the house which had been negatively affected by previous alterations. The Stewardship Sub-Committee was particularly interested in the return eaves and cornice of the house, as well as the construction of the silos. The Stewardship Sub-Committee noted the historical interest in the Burch family.

**Motion:** The Stewardship Sub-Committee does not recommend the designation of the property at 3700 Colonel Talbot Road under the *Ontario Heritage Act*.  
Moved: M. Whalley; Seconded: K. Waud. Passed.
