Celebrating the 30th Anniversary-Falun Dafa Day **Request for Proclamation**

Dear Mayor Ed Holder

In recognition of the monumental 30th anniversary--the Falun Dafa Day celebration, May 13th, 2022, we respectfully request a recognition in the form of a proclamation. This is our annual celebration of the contributions of members of the Falun Dafa community in Canada—many of whom arrived here as refugees fleeing the persecution in China—and to celebrate the values of Truthfulness, Compassion, and Forbearance. We truly appreciate you and our council's great support during the past many years, which is truly invaluable and has given us great courage and hope here.

Originated from a tightly controlled communist Country, China, 30 years ago, along with 23 years' unimaginable persecution even with the horrific organ harvesting, Falun Dafa communities have endured, preserved and flourished peacefully. At the same time, Canadian Falun Gong practitioners are proud to build our communities here and call Canada our home.

Since October 2020, thousands Canadians have participated in the free online Learn Falun Gong seminars, hosted every week in English and French by volunteers. Under the lock-down in 2021, We also delightedly had Cities flags-raising or lighting-ups arranged in 8 cities.

Here in Canada, we are truly grateful that we are able to enjoy the freedom, diversity and compassionate support across the Canadian society. Every year we have garnered worldwide recognition, including thousands of greetings and proclamations from governments, officials, and our friends. In 2021 alone, we were very encouraged to receive over 130 supports from our MPs, MPPs, Mayors, and City Councillors.

By sending a proclamation to mark the 30th Falun Dafa Day, you help affirm Canada's commitment to the values of Truthfulness, Compassion, and Forbearance, and human rights, freedom of conscience.

For proclamation messages, we would truly appreciate if you could please send it to us by May 5th, 2022. Should you have questions, please don't hesitate to contact us.

Sincerely,

Pixing Zhang on behalf of Falun Dafa Association of Canada

“Through the promotion of the universal principles of truthfulness, compassion, and tolerance, this traditional Chinese practice has attracted followers around the world and I am proud of Canada’s lively Falun Dafa community. In Canada, we are fortunate to live in a country that respects human rights and Canada’s Conservatives will always stand up for religious minorities.” –**Hon. Erin O’Toole, Leader of the Conservative Party, greetings 2021**

“Your compassion, your truthfulness, your principles, and your morals are wonderful attributes to all of you. We should continue to focus on issues of freedom, respect, and love for each other as we continue to build a better Canada and a better world.” - **MP Judy Sgro, co-chair of the Falun Gong Parliamentary Friendship Group, Video Greeting 2021**

About Falun Dafa:

[Falun Dafa](#) (also known as Falun Gong) is a spiritual practice rooted in the ancient schools of cultivation in China. It consists of meditative exercises, and a moral philosophy aimed at the promotion of virtue. At the core of Falun Dafa’s teachings are the tenets of “Truthfulness, Compassion, and Forbearance.” Practitioners of Falun Dafa aim to live in accord with these principles, taking them as a guide for daily life and practice.

Since Falun Dafa’s public introduction in 1992, hundreds of millions of people from diverse cultural backgrounds in over 100 countries, including Canada, benefit from practicing Falun Gong, where the [free teachings](#) help people improve their mental, moral, and physical wellbeing and contribute to a more healthy and peaceful society.

On 20 July, 1999, the Chinese Communist Party (CCP) launched a campaign to eradicate Falun Gong. For the past 21 years, major human rights organizations, the United Nations, the U.S. government, and NGOs, etc.

have extensively documented the nation-wide campaign of hatred, mass imprisonment, forced slave labours, torture, and killings of people who practice Falun Gong in China.

Millions of Falun Gong practitioners and their families have been torn apart. Countless practitioners have been killed for their vital organs that are being sold by the state. International legal experts say that crimes against humanity, and possibly genocide, have occurred. Practitioners and supporters in Canada continue to experience various kinds of intimidation and harassment and vilification by the CCP.

The Falun Dafa community, both within China and abroad, have endured these two decades of unimaginable adversity with resolute non-violence and persistence to uphold freedom and the universal values. This has garnered worldwide recognition, including thousands of greetings and proclamations from governments and officials.
